

Airsafe

■ SB-08

■ Shallow Base(8-inch)

Compliance with Standards

FAA: AC 150/5345-42 & 46

Application/Use

8" in-pavement lights

Features

- Extrusion molding of premium aluminum alloy material
- Special material prescription with good thermal conductivity
- Equal-strength structural design with even loading and less possibility of deforming
- Interior reinforcing ribs ensure strong loading capacity
- High-strength, good mechanical property, verified by FAA's sub-test on loading capacity
- Extrusion processing ensures denser interior structure and better mechanical property
- High-precision machining, fully guarantees the quality and precision of bases
- Made of anti-corrosion aluminum with prior preservative treatment, durable in use
- Screws equipped with stainless wire thread insert, which effectively prolongs the service life
- Secondary connection interface of metallic waterproof connectors with premium waterproof property

Dimensions

Packing size: 240×240×160 mm³

Net weight: 3.03 kg
